

Artist Bio: Joan Henderson

Joan Henderson was born and raised in Milo, Maine. She graduated from the University of Maine with a degree in Elementary Education and went on to become a librarian. In the late 70's she moved to Dallas, Texas where she was an elementary school librarian for 26 years. She has always been interested in drawing but never took any lessons until she moved back to Milo a few years ago and started taking lessons from local artist, Suzette East. Her art is a bit eclectic; some whimsical and some detailed landscapes. Her medium of choice is graphite pencil drawings, but she does do some colored pencil drawings and recently began taking lessons in watercolor from local watercolorist, Wilma Stanchfield.
